

**JEFFREY T. RIPS  
ROSSMOOR COMMUNITY SERVICES DISTRICT  
DIRECTOR, SHORT TERM**

As your representative on the RCSD board I will utilize the skills and talents I have developed while serving, for the past 10 years, as the Executive Director of a non-profit organization. Through this experience I have learned the importance of hard work, dedication, consensus building, and utilizing all available resources to achieve important goals.

In addition, over the past several years I have been a coach on a variety of my children's sports teams. In these volunteer positions, I have stressed the importance of teamwork, sportsmanship, dedication, and good communication.

With my work experience and volunteer coaching, I believe I have the essential skills and values for being a leader in our community. I intend to listen, build relationships with community members, and most importantly keep an open mind and fully investigate what is best for Rossmoor. I promise, to the best of my ability, to serve the best interests of our community.

I pledge to work hard to ensure that Rossmoor continues to be a safe environment for us all, and we continue to build towards our future.

On November 7th I am asking for your support.
