

**STEVE SHELDON
ORANGE COUNTY WATER DISTRICT
DIRECTOR, DIVISION 5**

Designation: Director, Orange County Water District
Business owner
Age: 41

It is a privilege serving as your Director on the Orange County Water District (OCWD).

Water should be pure, plentiful and affordable. This is my commitment to you. Under my leadership, OCWD has:

- Kept water rates low
- Increased ground water storage to protect from future droughts
- Obtained federal funding for local water programs
- Authorized testing to safeguard water quality

In Irvine, OCWD is helping the Great Park by supporting efforts to clean-up contaminated ground water from the former El Toro Marine Base.

A clean Newport Harbor, Back Bay and beaches are a priority. This is critical for the environment and our property values, and I am dedicated to safeguarding both.

I have lived in Orange County for 33 years and, with my wife, am raising four children. I am a member of the UCI Urban Water Research Center Advisory Committee and the Surfrider Foundation - two groups committed to clean water.

Some endorsements:

- Irvine Councilmember Christina Shea
- Irvine Councilmember Steven Choi
- Tustin Mayor Doug Davert
- Irvine Senator Dick Ackerman
- Orange County Supervisor Bill Campbell
- Assemblyman Todd Spitzer
- District Attorney Tony Rackauckas
- Sheriff Mike Carona
- Orange County Treasurer John Moorlach
