

**MEMBER OF THE STATE SENATE, 33RD DISTRICT**

**NAME: GARY PRITCHARD**

**OCCUPATION:** Educator/College Professor

We Don't Need More Government, We Need Better Government!

Among my endorsers are Fullerton Mayor Sharon Quirk, Deputy DA Debra Carrillo, Orange County Employees Association, RSCCD Trustee John Hanna, NOCCCD Trustee Michael Matsuda, and Huntington Beach Mayor Debbie Cook. Orange County leaders and organizations back me for my willingness to put people above politics and to be a strong voice for the residents of Orange County in Sacramento.

I'm a husband, father, long time resident of Orange County, and Tenured Professor at Cerritos College. I also serve as the director of a program aimed at helping students get job training who did not earn high school diplomas.

There is growing sentiment among voters in both parties that our current lawmakers promise much but accomplish very little. I represent a growing number of Orange County residents who are tired of politics as usual and are looking for change.

We want our borders secure from crime and drugs; we want smart, long-term solutions to the state's budget crisis; we want our education system reformed, we want to reduce our dependency on foreign oil, and we want unexpected healthcare expenses to not bankrupt us.

It therefore falls on each of us to break rank and vote for the change we seek. Rather than rehearse ideological differences, we must unite to restore the much needed balance we all want from government.

Together we can begin to restore transparency and accountability in Sacramento.

I respectfully ask for your vote.
