

MEMBER OF THE STATE ASSEMBLY, 67TH DISTRICT

NAME: STEVE BLOUNT

AGE: 59

OCCUPATION: Corporate Controller

You can count on Blount to preserve and enhance the economic, personal and social well being of all the residents in the District.

I have an MBA in Entrepreneurship with a concentration in Economics, and a BA in Social Science with a Sociology emphasis.

For the last thirty-one years I have been involved in the critical success factors of businesses through money management, finance and accounting, including ten years with my own bankruptcy consulting practice. I have been for the last fourteen years the controller of a very successful manufacturing company.

You can count on Blount to spend more time in the District than in Sacramento.

You can count on Blount to represent you, your household, your street, your block, your neighborhood and your city, and to give you the resources and freedom to pursue and enjoy the good life.

You can count on Blount to institute throughout the District neighborhood councils so that your needs can be met and your wishes fulfilled through the collective talents, skills, passions and voice of your neighborhood.

You can count on Blount to maintain and increase educational opportunities at all levels with a balanced budget.

You can count on Blount to champion our veterans.

You can count on Blount to help businesses in the District make better use of their resources through a SWOT analysis (Strengths, Weaknesses, Opportunities, Threats) thereby increasing productivity, bettering distribution and supply chains, vendor and customer sourcing, health benefits, and wages.
