TRUSTEE AREA 3**

NAME: LORRAINE PRINSKY

OCCUPATION: University Professor

As your trustee, I will bring a fresh, independent perspective with high ethical values to the Coast Board. With over 35 years of dedicated service to students of all ages and backgrounds, I have extensive experience in strategic planning and conflict resolution. I am prepared to make difficult choices needed to work for quality education during this time of deficits and reduced resources.

These will be my top priorities:

Serve students, veterans and community by ensuring quality education with quality faculty by raising the ratio of full- to part-time faculty.

Manage taxpayers' money wisely by improving budget transparency, avoiding wasteful spending in areas not related to student learning.

Support development and expansion of programs in emerging technologies so our students will have skills to participate in the global marketplace.
