

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 3**

NAME: LISA WOOLERY

OCCUPATION: Communications Manager

A college education significantly advances the economic potential of students and improves the whole community. I am committed to providing taxpayers quality courses and programs.

My vision includes:

- Continuing to use tax dollars efficiently.
- Maintaining one of the lowest administrator to student ratios.
- Increasing traditional core academic courses for university transfer.
- Increasing technology and vocational training.
- Continuing to maximize space and resources to increase the number of students served.

As our colleges grow, I will continue to prioritize educational initiatives to fulfill job training in emerging technological fields (like 3-D animation and graphic design) and to support existing career fields (like health care and law enforcement).

Our latest accomplishments include:

- New science building.
- Law enforcement academy.
- 16-room multi-disciplinary classroom building.
- Digital Media Center.
- Nursing training program.
- Maximizing classroom space for a larger enrollment.

I have dedicated my tenure at Rancho Santiago Community College District to making education accessible to those who wish to improve themselves. Through vision at the board level, our faculty and staff are able to serve students efficiently in award-winning programs.

I respectfully ask for your vote and promise to continue to serve you by providing excellent and diverse higher educational offerings.
