

**SOUTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 1**

**NAME: CAROLYN D. INMON**

**OCCUPATION:** Retired College Professor

Skills and knowledge students learn at local community colleges are not only important to their futures—they are important to ours. As your community college trustee, I will ensure that we teach our students skills to succeed in a competitive global marketplace. That is why I am proud to have the support of our local college classroom teachers. They know the importance of a community college education—from rigorous academic classes, to state-of-the-art professional and vocational training.

For 19 years I've been a community college teacher. My insistence on academic excellence, hard work and personal responsibility has prepared students for success as working professionals and engaged citizens.

I am a native Californian, educated in California's public schools from childhood through university. I came to Irvine 33 years ago and have been active in numerous civic and service organizations.

My teaching experience and educational leadership have emphasized building bridges and problem solving. These experiences, and my commitment to fiscal accountability, uniquely qualify me to serve as a trustee for our community colleges. I would be honored to receive your support to provide the leadership needed to elevate our colleges to state and national prominence.
