

**SOUTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 3**

**NAME: ARLENE GREER**  
**OCCUPATION: Businesswoman**

**AGE: 56**

As education becomes more essential in the global economy, our Community Colleges are increasingly called upon to transition our sons and daughters from high school to four year institutions and real world employment. As parents and taxpayers, we expect our Community Colleges to meet the needs of both high school graduates and older adults who are returning to our campuses. As your Trustee, I will hold my board, the faculty and the staff to standards consistent with achieving those goals and objectives.

Supervisor Pat Bates endorses my candidacy because of my advocacy of community involvement. Trustee Tom Fuentes and Congressman Ed Royce endorse my candidacy because of my commitment to sound, conservative, business principles. Capistrano Trustee Anna Bryson endorses my candidacy because of my promise to enrich the academic curriculum, enhance our physical plant and extend community outreach.

Some forty years ago, then Governor Reagan broke ground on our community college district with a promise and a commitment to serve the students and community of South Orange County. I intend to honor that promise and commitment by working to ensure that our college district remain an educational beacon on the hill.

I would be honored to receive your vote.
