

**ORANGE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 6**

**NAME: MARK D. WAYLAND**

**OCCUPATION: Retired Firefighter/Marine**

I am a thirty-year veteran of the Orange Fire Department, a Vietnam War veteran, the husband of a kindergarten teacher, and the father of three Orange Unified School District graduates. I am not a politician, and my family hasn't held political office - I'm just a concerned citizen and family man.

I will ensure our tax dollars are spent responsibly for the benefit of our children and our community.

We must have complete accountability with taxpayer dollars.

I will not rubber stamp spending bills.

OUSD must learn to live within its means.

I will put more money into the classroom and not into wasteful bureaucracy.

More oversight is needed in all areas of the budget.

With my wife of 32 years, we've raised our four children in the OUSD. Our three sons graduated from OUSD schools, and our daughter still attends school in our community.

I have dedicated my life to serving my country and my community. My time as a United States Marine, firefighter, paramedic, and reserve police officer has taught me the value of honesty and commitment.
