

**ANAHEIM UNION HIGH SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: BRIAN O'NEAL**

**OCCUPATION:** Governing Board Member, Anaheim Union High School District

As a Board Member, I support the District's goals of having a safe environment to learn and work in; of improving the learning environment on all campuses through continuous facility improvement and hiring highly qualified teachers; and of improving academic scores District wide.

Reading is the foundation of education, and I will continue to support reading improvement programs for all students in all of our schools when needed, and for their parents through our outreach programs.

As a Board Member, it is a top priority that we prepare our students for both college and careers. All students will not go to college, therefore, we must provide vocational programs that are part of a career pathway. AUHSD is doing just that and will continue to do so with my support.

I support excellence in education by hiring and retaining teachers who are eager to prepare our children for the future through teaching academics and life skills such as respect, responsibility and citizenship.

I will continue to support curriculum and facility improvements, and to recruit and retain quality teachers and support staff. I want to continue to implement these goals. I ask for your vote.
