

**ANAHEIM UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: ANNEMARIE RANDLE-TREJO
OCCUPATION: Educator

AGE: 46

My goal as an AUHSD School Board member will be to put the emphasis back on education and our students.

I will work for diligent fiscal oversight, safe schools, student achievement, vocational educational options and open communication including collaboration with accountability to, parents, teachers, staff, the surrounding elementary districts and the community.

My experience with AUHSD includes Citizens' Oversight Committee, PTA, Superintendent's Advisory Board, education coalitions, the State Board for the high school exit exam and more.

My professional role with Anaheim City as a behavior interventionist in the classroom provides experience in the day to day issues of education. The teachers of Anaheim are behind me as are community leaders and parents in our district.

Currently, no school board member has a child enrolled in the District. While it's not a requirement, having demonstrated my faith in the District by enrolling my own child, I have earned the right to ask for your vote.

It's time to elect a board member who will listen to and act on the concerns of all interested citizens. I am that leader.
