

**HUNTINGTON BEACH UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: SUSAN HENRY

AGE: 51

OCCUPATION: Governing Board Member, Huntington Beach
Union High School District

"The Huntington Beach District Educators Association is proud to endorse Susan Henry. The students of this District have always been her top priority. Please re-elect this exceptional School Boardmember on November 4."--Jeff Larson, teacher, HBUHSD and President, DEA

Dear Voter,

I have lived in the District for the past 29 years and have actively participated in the education of our three children who attended local public schools.

I am a former school PTA and Education Foundation President. I am very aware of the goals and dreams of our students, parents and teachers.

I am also a Registered Nurse, educated at Santa Ana College and CSULB.

I am proud that during my term on the School Board we have recruited and recognized excellent teachers, offered comprehensive curriculums, promoted current technology, ensured safe campuses, and provided diligent oversight for our numerous construction projects which have been built under budget.

The future holds many challenges and opportunities for our students. We must work together to finalize the repair and renovation of our aging school facilities made possible by our voter approved bond. I believe that by setting the standards high, our District will achieve and exceed all expectations.
