

**ANAHEIM CITY SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: CAROL REINBOLT

OCCUPATION: Retired Teacher/Businesswoman

I know from first hand experience that our schools need new leadership.

I taught in this district for nineteen years. I hold a Masters Degree in Education from California State University, Long Beach, with an emphasis in Early Childhood Education. We have lived in Anaheim for over 30 years, raised two children here, and ran a successful local business.

Our first class city and children deserve a first class education. To get our schools back on track and remove our district from the list of California's 97 failing districts, I will work to:

Break the pattern of failure that moves 70% of sixth graders to junior high, achieving below grade level.

Eliminate teaching to the test; instead, increase student achievement in reading, math and English.

Reintroduce art and music, including instrumental band music.

Televisе school board meetings and meet with parents, employees, and other community leaders on a regular basis.

Partner with the Anaheim Union High School District, the City of Anaheim, and our Community College District to increase graduation rates and student success.

I ask for your support and vote to improve Anaheim Schools.
