

**CENTRALIA SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: DENNIS L. SALTS

OCCUPATION: Governing Board Member, Centralia School District

I believe that Public Education is vital to our community. I am asking for your vote. My wife Chris and I have lived in Buena Park for over 27 years. We are proud of our community and our schools. My daughters both attended Kindergarten through 6th Grade in the Centralia School District. They received a quality education.

I have served on the Centralia School District Governing Board for five years. My goal is to ensure that our local schools are meeting the needs of our students. Education is the key to our children's futures. My leadership experience in both business and public education give me the financial and people skills to be an effective board member. At a time when state and local budgets are tight, we must all work together for our children. My belief is that all children can succeed if given the chance. I am a graduate of CSUF, an Army Veteran, Rotary Club and Boy Scout youth advisor, Buena Park Library Board member, Centralia Arts Foundation Trustee.

I ask for your vote, so that we can work together for our children's futures. View my Photo and Bio on Centralia's web-site www.cesd.k12.ca.us or <http://centralia.ca.schoolwebpages.com/education/components/scdirectory/default.php?sectiondetailid=205>
