

**WESTMINSTER SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: LINH VAN NGUYEN**

**OCCUPATION:** Engineer

I've been an engineer for 26 years and a Westminster resident for over 10 years. By teaching children at Vietnamese Language School I realize the importance of a quality education and high academic achievement for all students.

I have long been a community advocate and volunteer. I recently received the Spirit of Volunteerism award for my involvement as a board member with the American Red Cross. I have been a planning commissioner for the City of Westminster and currently serve as a Commissioner to the Chief of Police in Westminster.

As a board member I would promote high academic achievement and cultural enrichment for the students of the Westminster School District. I would help maintain current technology to prepare our students for future success and ensure that we continue to attract and retain highly qualified teachers.

I believe that we need to ensure that our schools will be safe for all students. I also feel that parent involvement is essential to support our students and schools. A strong partnership between the home, school and community promotes successful learning as well as positive behaviors.

Together we can make a difference.
