

**MIDWAY CITY SANITARY DISTRICT
DIRECTOR**

NAME: VIVIAN KIRKPATRICK-PILGER

AGE: 54

OCCUPATION: Management Services Officer

My family moved to Westminster when I was two years old. Living in the Westminster and Midway City area, I have strong roots here and appreciate the need for good leadership in all areas of our local government.

I was previously elected to the Midway City Sanitary District during a General Election year in 2004 and served as President for two years. While serving on the MCSD I also served as; MCSD Representative to the Westminster Chamber of Commerce; MCSD Alternate to the Orange County Sanitation District; MCSD Representative to the California Association of Sanitation Agencies; MCSD Alternate Representative to the Midway City Chamber of Commerce.

I also serve the City of Westminster on committees and commissions: Community Advisory Group; Commissioner, Community Parks and Recreation Commission; Mayor's Ad Hoc Zoning Committee; and other committees.

I have attended the University of California, Irvine, Santa Ana College, and Goldenwest College. I earned a certificate from the UC Business Officers Institute and have a Certificate of Completion in Special District Leadership and Management that I earned while serving on the MCSD.

I would appreciate your vote. Call me at 714-903-6072.
