

**IRVINE RANCH WATER DISTRICT  
DIRECTOR**

**NAME: JOHN B. WITHERS**  
**OCCUPATION: Business Executive**

**AGE: 52**

It has been my honor to serve residents in the communities of Irvine, Orange, Newport Coast and Tustin as a 19 year member of the Irvine Ranch Water District Board.

Your district is consistently rated as one of the best managed water and reclamation districts in California. Water quality is very good and our rates are among the lowest in Orange County. Through the district's efforts on your behalf, the IRWD has developed a variety of water sources to insure that we will be protected in the event of a serious drought.

I am particularly proud that the IRWD has implemented a natural treatment system of manmade wetlands which not only improve water quality, but create important habitat for wildlife.

In addition to my service on the IRWD, I have been appointed by three California governors to the Santa Ana Regional Water Quality Control Board, where I have promoted better water quality and environmental protection for our communities.

Please vote for John Withers for Irvine Ranch Water District Director.
