

**YORBA LINDA WATER DISTRICT
DIRECTOR**

NAME: DAVID M. ROSENBERGER
OCCUPATION: Businessman/Teacher

I believe the water district needs a new voice, one that I believe is not affiliated with special interests. I strongly believe that a public office should not be a career. In my business life, I negotiate contracts which have taught me to listen and then work out the best possible terms. As a teacher for North Orange County Community College District, I have served the Public for over 30 years. I have been an Orange County Resident my entire life: living in Fullerton, Mission Viejo, Irvine and Yorba Linda. I have also been a guest of the Metropolitan Water District and traveled the water system from one end of the state to the other and I believe guarding this most valuable resource is imperative. If I am elected, I will bring openness to the Water District Board and bring new ideas to the table, including water conservation and possible recycling. Please join me and bring back the true ideas of a public office - Serving the Public.
