

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY
DIRECTOR, DIVISION 7**

NAME: MIKE WHIPPLE

AGE: 65

OCCUPATION: Councilmember/Retired Engineer

I want to change this board's policies to reduce costs and eliminate duplicate and unnecessary programs.

I will work diligently to ensure we have clean water delivered reliably without excessive costs.

I have the experience and expertise to provide our community with clean water. I earned a BS Engineering at CSU Long Beach and MBA at UCLA. I became a Registered Civil Engineer in 1970 and specialized in designing cost efficient financing for water systems. I am a member of the American Water Works Association.

I am committed to our community. My service includes Citizens Advisory Council Moulton Niguel Water District, Founding Board Member, Orange Coast Watershed and Environmental Center, Urban Water Institute, Water Advisory Committee of Orange County, President Laguna Niguel Rotary Club, Board of Directors of the Niguel Botanical Preserve and Orange County Fire Authority. I was selected Laguna Niguel Citizen of the Year and have served on the Laguna Niguel City Council since 2000.

I was my city's leader of the campaigns to stop the El Toro Airport, including service on No Jets and Taxpayers for Responsible Planning.

City and water industry leaders and taxpayer advocates have enthusiastically endorsed my campaign. They know me and my record.
