

**MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER**

MANUEL BACA

AGE: 58

OCCUPATION: Governing Board Member

For the past several years, as a **Mt. SAC trustee**, I have provided strong, visionary and moral leadership. I have worked collaboratively with others to keep Mt. SAC the premier community college in the state. I continue to work diligently to ensure that learning opportunities for our students and our community are provided at the highest level possible.

During my tenure as your trustee, I can report to you that Mt. SAC has

- Maintained a **balanced budget** and
- Completed state and bond-funded **building projects**; all within budget and on time.
- Appointed **strong and effective leaders** at all levels of management.
- Continued to hire **outstanding and talented academic and vocational faculty**

As an experienced trustee and educator, I will continue to advocate for the community college's fair share of state resources and ensure that Mt. SAC

- Maintains a balanced budget;
- Keeps classroom instruction its highest priority;
- Provides a safe learning environment, and
- Provides the resources needed by students to achieve academic, vocational and career goals.

I am proud to have the endorsement of civic and elected leaders from throughout the San Gabriel and Pomona valleys.

I ask for your **VOTE** on **November 6, 2007**.
