

**ANAHEIM UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER, SHORT TERM**

NAME: JORDAN BRANDMAN **AGE: 27**
OCCUPATION: Educator/City Commissioner/Planner

Our District needs a new direction.

We need leadership that will restore the trust of parents, students, teachers, and taxpayers.

As a businessman, educator and homeowner, I know what it's like to run a successful business, be in a classroom, and I understand how important having good schools are to property values.

I attended local public schools, earned my degree at UC Irvine, and served as an education policy advisor to two Governors and our local Assemblyman. I work in environmental planning and serve as an Anaheim City Commissioner, while continuing my work in the classroom.

As your trustee, I'll demand that our District is more fiscally responsible, provide more afterschool programs to increase public safety and reduce crime, work to reduce class size, promote English proficiency and ensure that all our students are fully prepared for life after graduation.

I'm proud to be endorsed by Mayor Curt Pringle and County Clerk-Recorder Tom Daly, former Mayors Kenneth Blake and Mike McGill, County Board of Education Member Alexandria Coronado, our local teachers, police officers, and firefighters. They know I'll work for change in our District.

I humbly ask for your vote.
