

**IMPARTIAL ANALYSIS BY CITY ATTORNEY
MEASURE E**

(Section 901)

Measure E makes changes to the Santa Ana Charter regarding term limits of members of City boards and commissions. It is tied to Measure D and will only become effective if Measure D is approved by the voters.

Section 901 of the City Charter contains several provisions applicable to the appointment of members of boards and commissions in the City. This measure would make all terms four years and change board and commission terms limits from two to three terms to coincide with the term limits of city councilmembers as proposed by Measure D.

If this measure is approved, it would be in effect for the November 2008 General Election.

THE ABOVE STATEMENT IS AN IMPARTIAL ANALYSIS OF MEASURE E.
